MULTICAR

INSURANCE SERVICES

WELCOME TO
MULTICAR

Multiple Vehicles. One Solution.

A multi car policy that has been designed with our broking partners and their clients in mind.

◊ It provides an option to help brokers offer a portfolio approach and safeguard their commercial business from global competitors, whilst increasing their revenue with a generous level of commission

◊ By combining all your clients' vehicles on one policy you will only have a single renewal

◊ Each case is underwritten on a bespoke basis, and direct contact with the underwriters is available

◊ There is a wide range of vehicles we can accept and combine on the policy, see key risk appetite for details

◊ Flexible cover that can be incepted on one vehicle and subsequent vehicles included on a pro-rata basis

KEY RISK APPETITE:

◊ The policy has been designed with the mid and high net worth client in mind

◊ The risk must be vehicle led, more cars than drivers

◊ Policyholders aged from 28

◊ Named drivers from 25. Under 25-year-olds will be considered but subject to risk profile

◊ All areas will be considered. Inner city areas will be subject to the risk profile

◊ All vehicles kept at one address (prestigious, performance classic cars at an alternative storage address is acceptable)

KEY BENEFITS:

◊ Policy benefits pass on to spouse or partner

◊ Limited mileage options available

◊ Agreed value for classic or specialist cars

◊ Classics, kit, motorbikes, American, motorhomes can be included

◊ 90 days EU travel included

◊ Uninsured loss recovery available

◊ Breakdown recovery available

REMUNERATION & EXCLUSIVITY:

◊ 12.5% commission

◊ Available to Premier and Advantage Broker Network Members only

HOW TO TRADE:
